HOW IT WORKS

FOUNDERS SERIES

For those that want the best, look no further than the Founders Series by Louisiana Grills®. Distinguished grilling machines designed to raise the standard of your backyard culinary experience, the Founders Series beautifully combines the legacy of pellet grilling with the technology of today. An homage to our founder and pellet grill visionary, Dan Thiessen, these grills feature upscale, stylish designs blended with a reawakening of performance and innovation. For Louisiana Grills, the Founders Series represents over 20 years of an unyielding passion for excellence, an unrivaled dedication to the pellet grill industry, and an endless devotion to the craft of high-end outdoor cooking.

100% ALL NATURAL WOOD PELLETS

Louisiana Grills pellets are a renewable, sustainable fuel and provide immense flavor without needing to constantly check in on external factors that otherwise make grilling a complicated art. Our 100% all-natural hardwood pellets are sourced from North America with no artificial scents or sprays used in the process.
