2022 GRILLING CATALOGUE

Our Passion Lies Within Our People

Our dedication to build the very best in quality performance grills reflects the exceptional team behind the brand. Our story begins in 1906, with a vision of quality and desire for excellence. With a focus on the grilling industry for the past 35 years, Broil King® stands for performance, durability and creating great grilling experiences for our customers.

Our passion has always been to build lasting relationships with our customers by providing quality products backed with great service.

With manufacturing facilities in Huntington Indiana, Dickson Tennessee, and Waterloo Ontario, we are able to design, manufacture and distribute North American-made grills in over 50 countries.

We are a family that loves to grill and it shows in every barbecue we build here in North America.

Our vision is plain and simple: **Great Barbecues Every Time.**

As Broil King® continues to be a family-owned and operated company, we hope that you are as proud to own a Broil King® as we are to make them.

Designed and Engineered for Great Barbecue Flavour

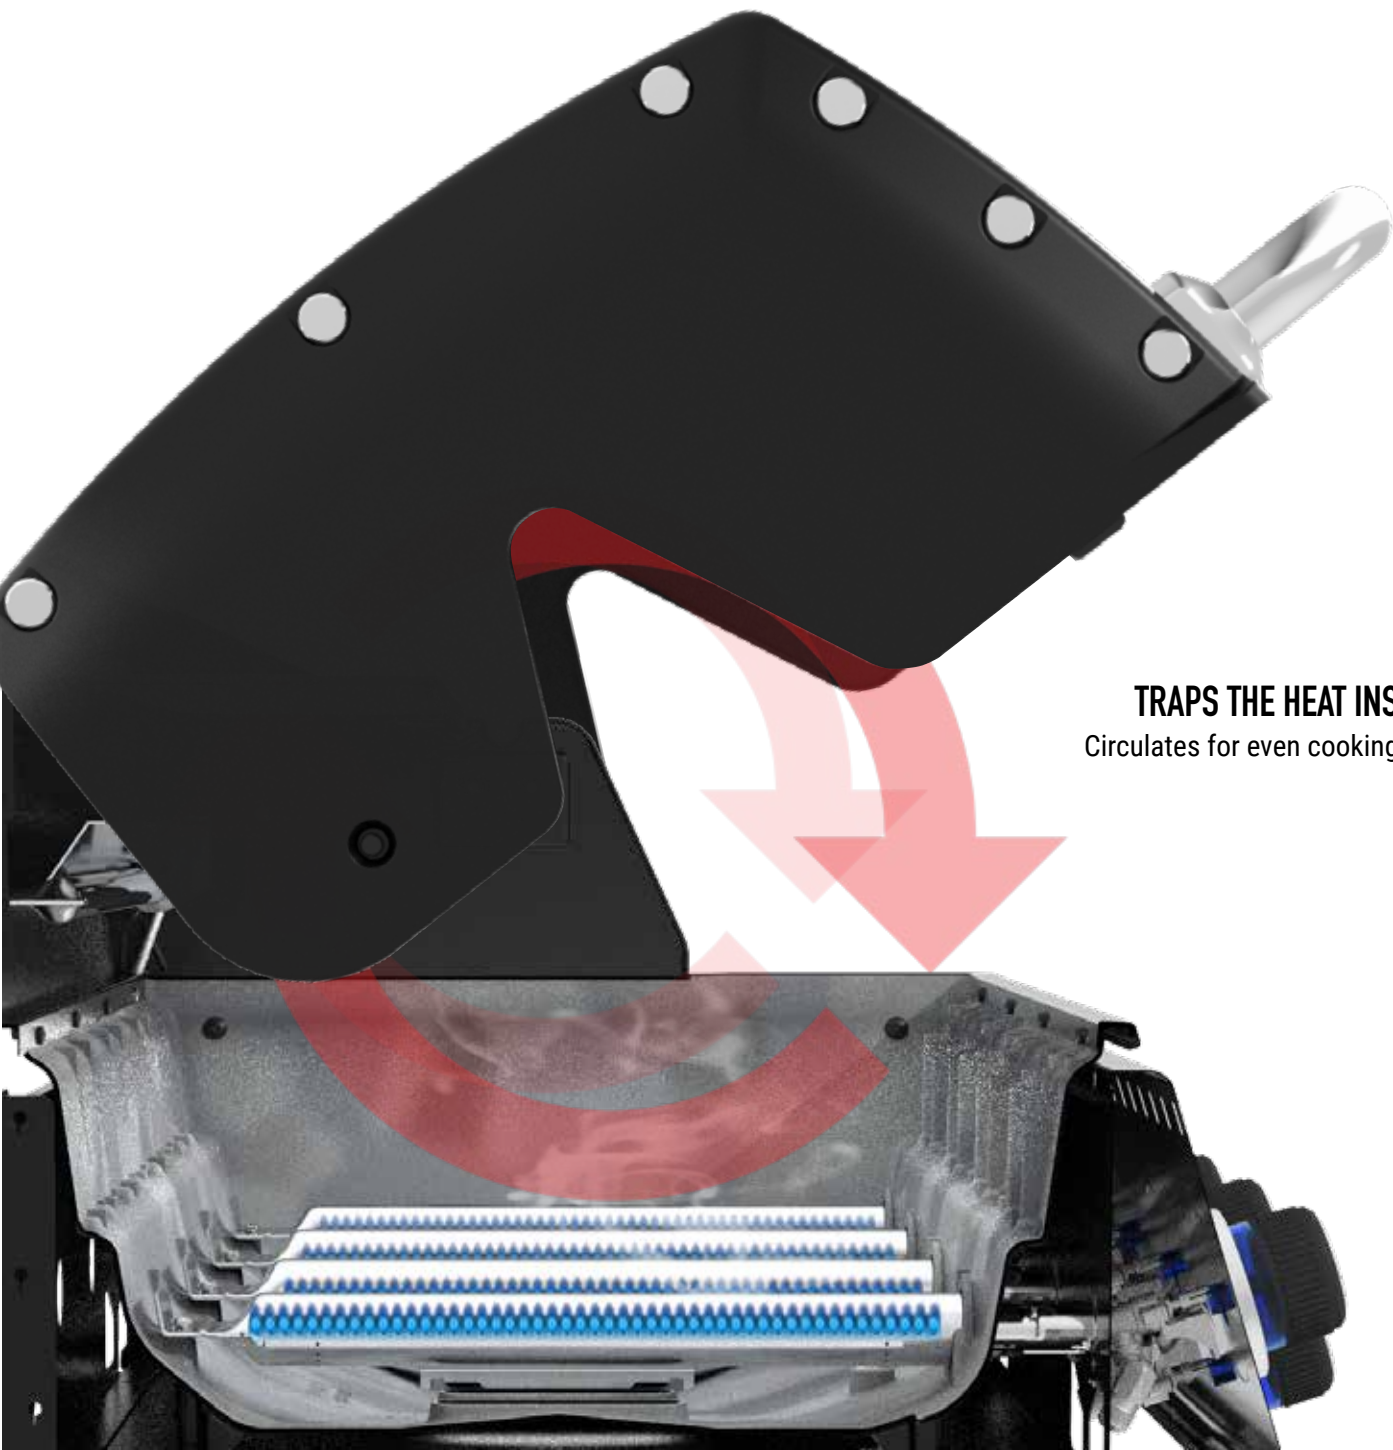

Every Broil King® gas grill is built for unparalleled cooking versatility and creativity. The ultimate grilling experience. Broil King's Performance Grilling Technology (PGT) gives you the ability to cook almost anything on your grill in any style you desire. You can sear steaks to perfection, rotisserie-cook poultry or roasts, and even bake elaborate desserts. Every part of the cooking system is designed and engineered for a specific purpose: to deliver great barbecue flavour. When combined, the results are simply spectacular. There's no mistaking the great flavour you get with Broil King®.

Thick and Durable Cookbox for Amazing Heat Retention

Made from die-cast aluminum and high-grade stainless steel, these durable cookboxes provide excellent heat retention and long lasting durability. The cookbox is designed to ensure even heat and heat retention for precise control.

The Flav-R-Wave™ Cooking System Infuses Great Flavour into Your Food

The stainless steel Flav-R-Wave™ cooking system provides superior heat distribution across the entire surface of the grill while protecting the burners. Drippings that fall onto the Flav-R-Wave™ are instantly vapourized. Vapour created through this process infuses into your food for unmistakable barbecue flavour.

GREAT BARBECUE FLAVOUR

Vapourized juices infuse into your food

EVEN HEAT DISTRIBUTION

Covers the entire cookbox area

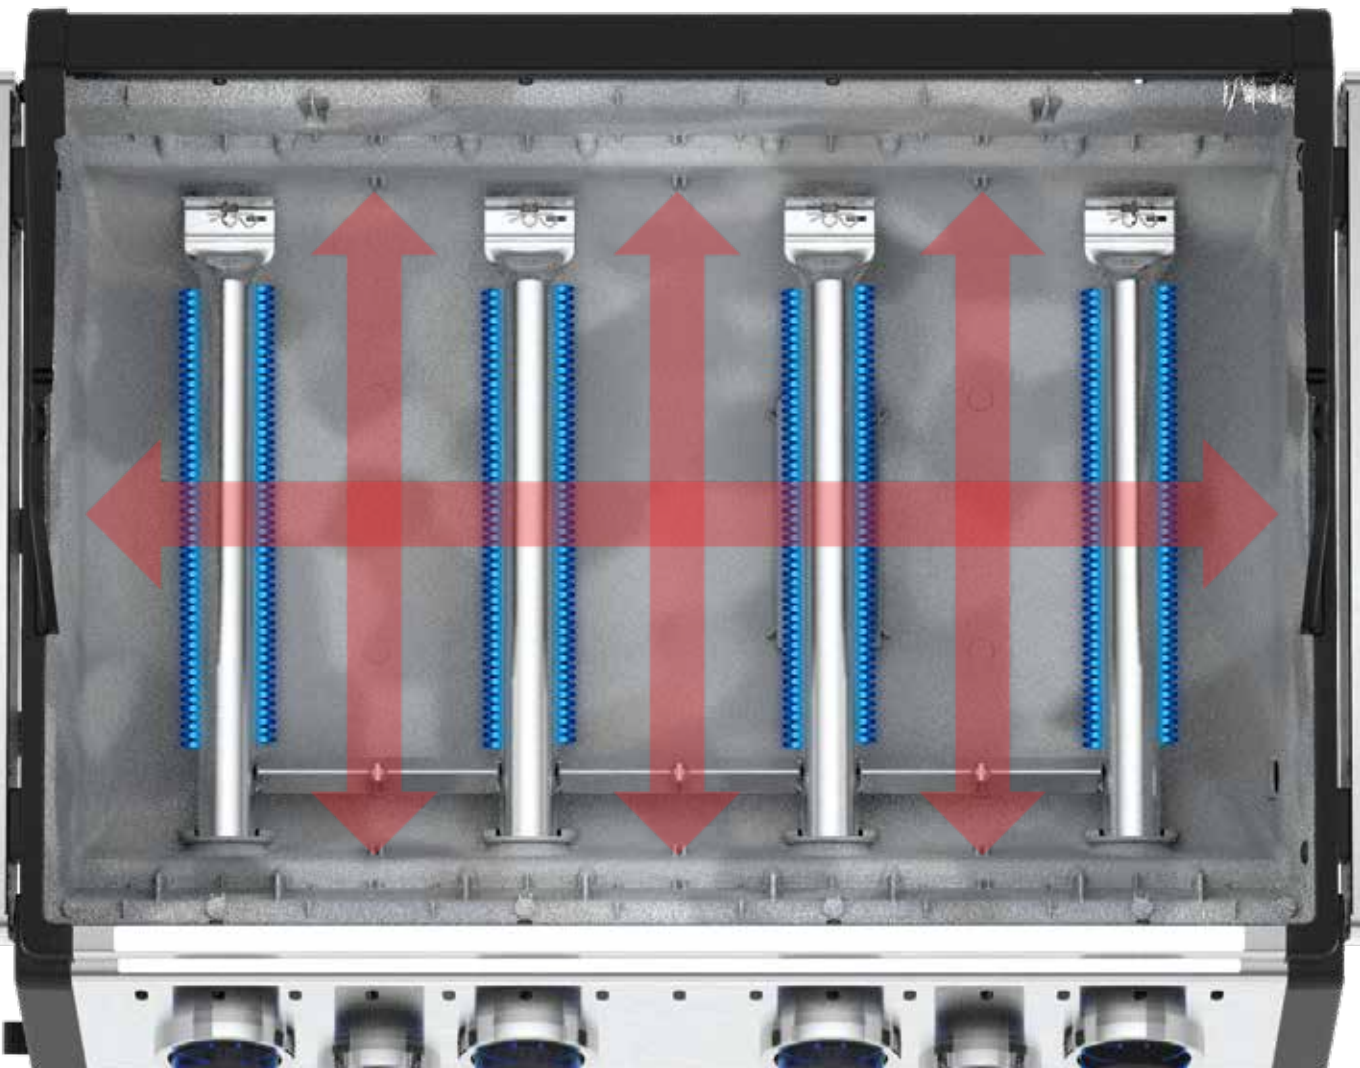

Patented Dual-Tube™ Burners Means Twice the Flame for Twice the Performance

Broil King's patented Dual-Tube™ burners are made from high quality, heavy-duty stainless steel. These large diameter, tube-in-tube side-ported burners provide even heat distribution (front to back and side to side) with two rows of flame per burner.

2 ROWS OF FLAME PER BURNER

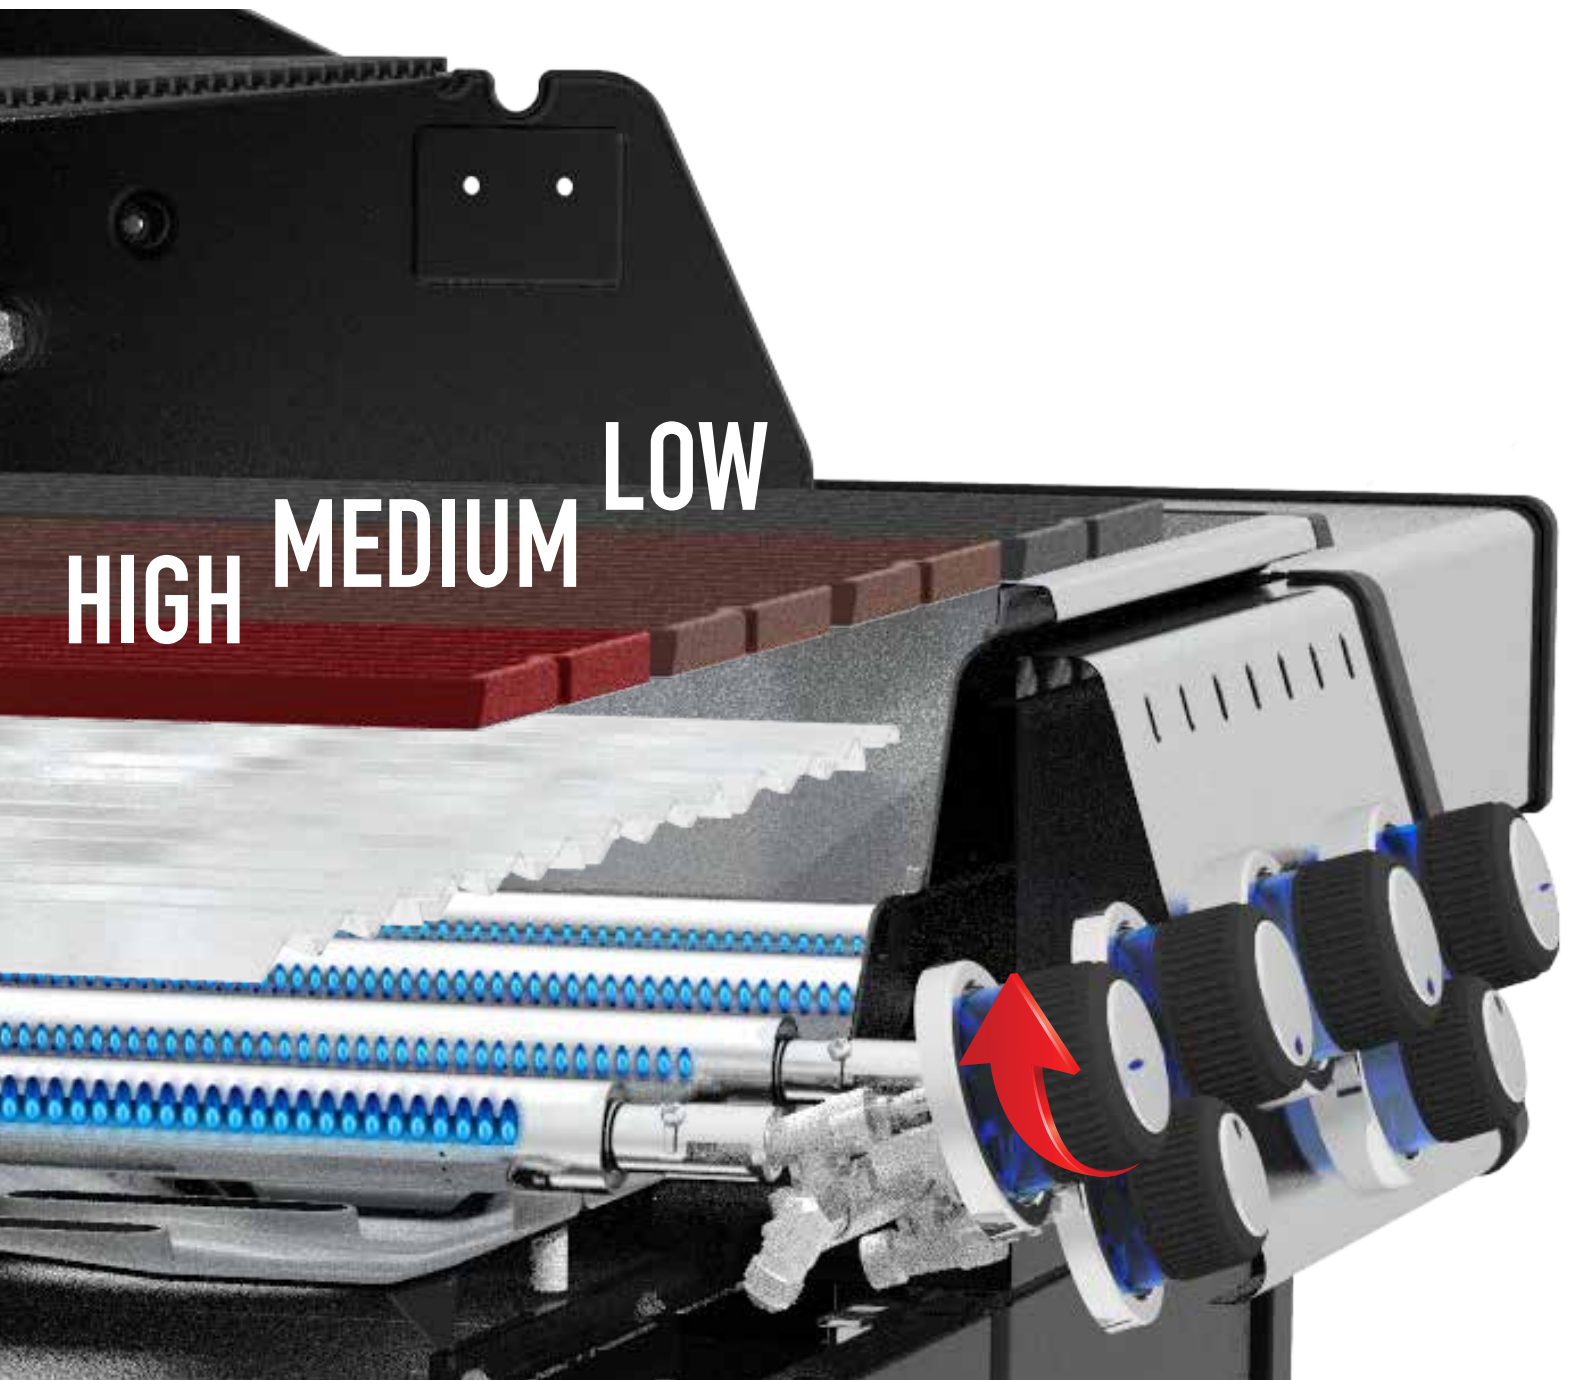

Even heat ~ front to back and side to side

180 Degrees of Temperature Control for Perfect Grilling Results

Linear-Flow™ valves with 180 degree control knobs give you infinite heat control allowing you to set your grill to the perfect temperature for searing, roasting, or slow cooking.

IMPERIAL™

Finally a smarter choice for grilling centres. Broil King® gives you a new level of flexibility with the unique modular pod system. Broil King's Imperial™ series is a match of performance and luxury designed for the professional outdoor chef. These premium grills come equipped with standout features like commercial-grade cast stainless steel cooking grids, a double-wall stainless steel cookbox and patented stainless steel Dual-Tube™ burners. Crafted with durable North American 304 grade stainless steel, the exterior is inspired by professional cooking appliances. Light up the night with back-lit control knobs and oven lights to instantly create the perfect ambiance at your next get-together.

We are Bro

Meet Paul. Culinary Artist. Rock 'n Roll Attitude.

He's one of many great Broil King® influencers, Iron Chef Canada Winner, Executive Chef and owner of his upscale yet casual restaurant in downtown Toronto. Combine culinary flair with a love of music and a warm smile...you get Paul Bohmer. Paul knows that having a good quality grill is very important for his restaurant kitchen and his home.

"I've had other BBQ's but this one by far really stands out as a strong and powerful grill. You can cook a three inch thick rib eye and drop it on there. It doesn't flare up and it caramelizes the meat...it's spectacular."

Oil King®

"It has to be great quality. I need to create the best experience for my guests at my restaurant or on my patio at home." Paul Boehmer

We are Bro

Meet Rob. Local Butcher. British Football Foodie.

All of us working together, that's the idea behind our community, we aim to deliver the best product available to the best grilling enthusiasts in the world like Rob. Rob's our community meat sommelier, a trusted and knowledgeable guide to quality local products through his butcher shop. Rob's customers rely on him to deliver the very best quality meats. Meats end up being the centerpiece of many backyard gatherings around our community. What you're grilling and what you're grilling on is as important to him as it is to us.

Oil King®

"My customers are like family, and I use the best quality meats I can get my hands on. What I use to grill or smoke them isn't any different." Rob Brady

Hickory Hickory

The most iconic BBQ flavour. Hickory offers a strong smoke taste, often associated with bacon or smoked ham. This robust smoke works well with large cuts of meats. Try with beef, poultry, pork and hearty vegetables.

Mesquite Blend Mesquite | Oak

Experience southern smokehouse aroma with spicy and tangy undertones. Mesquite pellets add exceptional flavour to whatever you throw on your grill. Try with beef, wild game, lamb and pork.

Apple Blend Apple | Oak

A selection of pellets popular with competition BBQ champions. This blend offers hints of sweetness combined with a full bodied hickory smoke. Adds a well-balanced smoke taste to grilled foods. Try with beef, poultry and pork.
