

Outdoor Oven

Ask for Pricing

Finally, an outdoor oven that can outperform even the most impressive indoor units. This versatile all-in-one oven allows you to bake, roast, or sear restaurant-quality dishes in your own backyard.

From authentic Neapolitan pizza to slow-cooked pork butt, the Blaze Outdoor Oven is designed to effortlessly cook just about everything.

Available in countertop, built-in, and freestanding cart models

Ingenious Design

- Vertical rotisserie rod with drip tray and dual cooking racks creates countless dishes.
- Rotating ceramic stone evenly distributes high heat and eliminates any cold spots.
- Double-paned glass door and interior lights enable you to conveniently check food.

Peak Performance

- New digital screen offers the most accurate cooking temperatures.
- Wireless Bluetooth probes with real-time on-screen temperature readouts for precise, confident cooking.
- Stone rotates at the push of a button to ensure every pizza night is a family activity.

Engineered for Life

- Built from the highest-quality 304 stainless steel and backed by a best-in-class, lifetime warranty.
- Durable outdoor design is resistant to corrosion and easy to clean, ensuring top-rate performance cook after cook.
