

NEW ARRIVAL

# LTE PRO Gas Grill

Starting at \$3,299 MAP

Introducing the most advanced LTE model yet: the Blaze LTE PRO. Inspired by our modern new brand look, this grill is designed to provide even more power to users without requiring extra effort.

Like all Blaze grills, the LTE PRO is backed by a best-in-class, lifetime warranty, so you can buy confidently and take your cooking to the next level.

Available in 4-burner or 5-burner freestanding or built-in models.

## Maximum Performance

- Enhanced control panel reads temperature from grill surface + 2 meat probes.
- Increased hood clearance allows more food in the fire box or added rotisserie space.
- 14,000-BTU main burners + 10,000-BTU rear burner provide efficient zonal power.

## Innovative Features

- Spring-assisted grill lid with ergonomic "H" handle for the smoothest operation.
- Multipurpose, heavy-duty warming rack can now be stored in an upright position.
- Non-slip, knurled knobs feature LED lights with temperature indicators for safety.

## Built for Life

- 304 stainless steel construction backed by best-in-class, lifetime warranty.
- Stainless steel flame tamers ensure even heat distribution across the grill surface.
- Thicker 12 mm hexagonal grill grates retain more heat for intense searing.
