

Dometic EA24D
24-inch two-drawer outdoor refrigerator,
5.3 cubic feet cold storage

Dometic EA24F
24-inch outdoor refrigerator,
5.3 cubic feet cold storage

Dometic EA24B
24-inch outdoor beverage center,
5.3 cubic feet cold storage

Dometic EA15F
15-inch outdoor refrigerator,
3.2 cubic feet cold storage

Dometic DE24F
24-inch outdoor refrigerator,
5.3 cubic feet cold storage

Dometic DE15F
15-inch outdoor refrigerator,
3.2 cubic feet cold storage

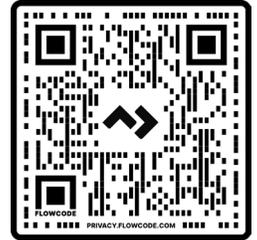

DOMETIC OUTDOOR REFRIGERATION

A legacy of performance and reliability

Dometic is the world's largest manufacturer of refrigeration solutions for harsh outdoor environments. Our legacy within cooling and refrigeration dates back to 1919. In particular, Dometic Outdoor Refrigeration benefits from decades of experience in RV and Marine refrigeration. The insights gained there, in terms of durability and reliability in varying conditions, are distilled into the suite of outdoor refrigerators. Our E-Series and D-Series models offer serious cooling performance in an accessible offering.

- Outdoor rated
- Best in class 2 years parts & labor warranty with 5 years of coverage on the sealed system
- Zero-clearance hinge allows for seamless integration
- Temperature range of 34 to 55 degrees
- Easy touch control panel & readout provides digital accuracy, simply tap to adjust the set temperature
- Zero-clearance hinge that is field reversible to either Left or Right hinge positions
