Warming Rack	Yes
Briquette Tray	Yes
Foldable Side Shelves	Yes
Grill Lights	2 Halogen (10W)
Tempature Gauge	Yes (50°F-800°F)
Burger Count	28

FEATURES & BENEFITS

- + Three Cast Stainless Steel Burners with Infrared & Rotisserie:** Three cast stainless steel burners ensure even heat and lasting performance, while infrared searing and rear ceramic rotisserie burners deliver intense, steakhouse-quality results.
- + Total Heat Output Up to 84,000 BTU:** Powerful heat output to handle any grilling style or occasion.
- + Ceramic Briquette Heat Control Grids:** Distribute heat evenly and minimize flare-ups for safer, consistent results.
- + 304 Stainless Steel with Double-Wall Hood:** Durable, rust-resistant construction with a double-wall hood for better heat retention and weather protection.
- + Rotisserie Kit with Rear Storage Hook:** Create restaurant-quality roasts at home, with a rear hook to store the rotisserie rod neatly when not in use.
- + Illuminated Control Knob with White Projector Light:** Sleek, modern look with enhanced nighttime visibility.
- + Interior Halogen Lighting:** Brightens the grill interior for clear visibility in low light.
- + Built-In Temperature Gauge:** Monitor grill temperature at a glance for precision cooking.
- + Warming Rack with Hook Storage:** Easily stows inside the grill when not in use to save space.
- + Freestanding Design with Locking Casters:** Offers flexibility and secure placement—no built-in setup required.
- + Self-Closing Doors & Adjustable Drawer Hinges:** Smooth, secure access with a premium, user-friendly feel.

PRODUCT DIMENSIONS
