ANDO

SIMPLE & SOPHISTICATED

Exceptional comfort with an enduring aesthetic. A design which will continue to charm for years.

AMADORA

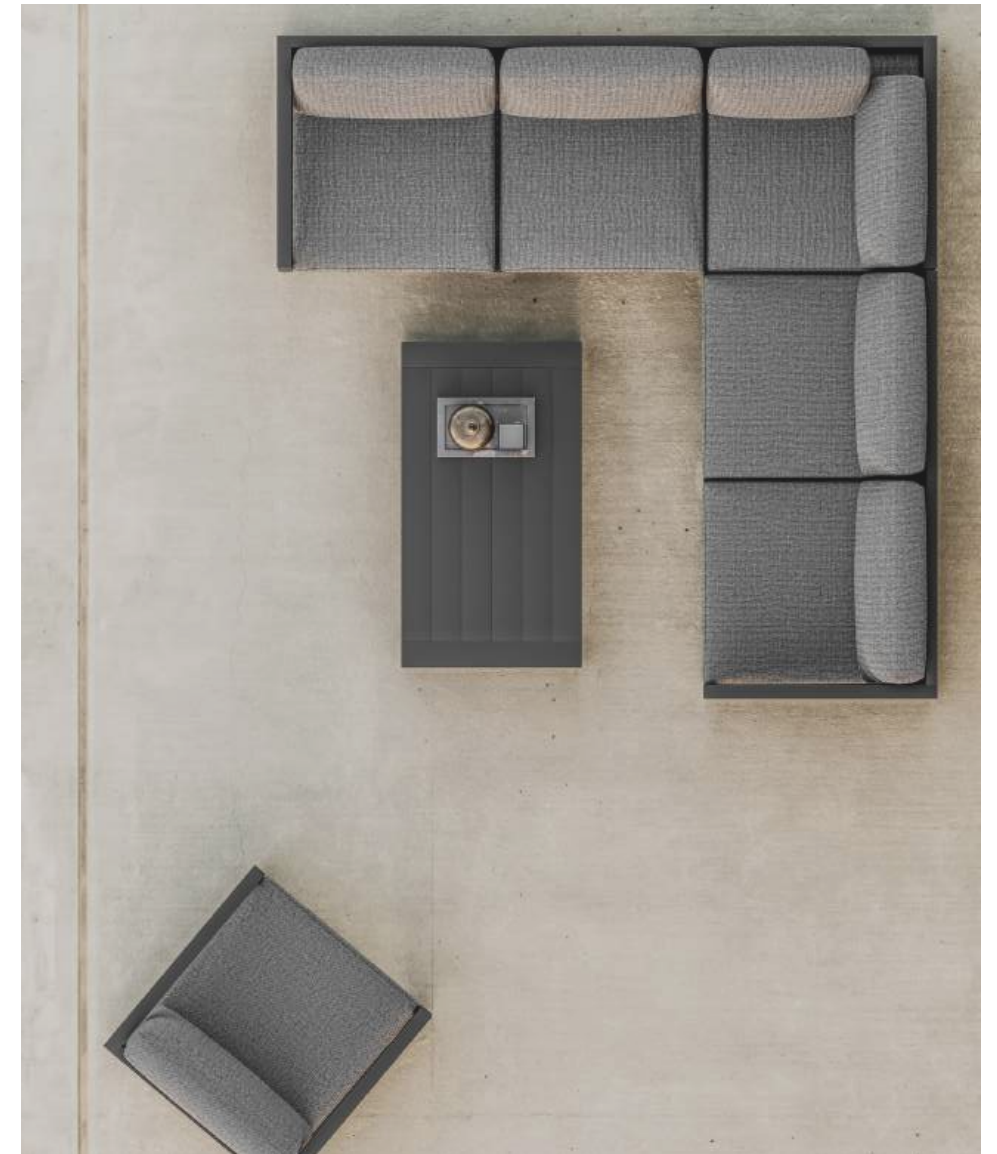

STUNNING PLAY OF LIGHT & SHADOW

Inspired by the beauty of the handheld folding fan, the handwoven frame wraps cushions in sweeping curves that evoke the motion of an unfurling fan.

AVION

MODERN COLLECTION WITH SLEEK DESIGN

Architectural & low without compromising support, Avion intriguingly plays with straight lines in robust Aluminum.

BEJA

ELEGANT WITH COASTAL RELEVANCE

Solid A-Grade Teak combines with outdoor grade poly resin weave to create an elegant classic.

CALDAS

A CURATED RANGE OF SEATING

Simple in design yet surprising in how the silhouette plays with angles.
Manufactured from natural A-Grade Teak.

CAMPO

PERFECT FOR STYLISH LOUNGING

Featuring durable black olefin rope & teak accents, this versatile collection can be styled to fit any space.

CLASSIC TEAK

PREMIUM COASTAL OUTDOOR COLLECTION

Modern frame gives way to a more coastal aesthetic. Transform your space into the contemporary coastal retreat of your dreams.

COMO

A SCULPTURAL OUTDOOR SERIES

A modern frame gives way to a more coastal aesthetic. Brass details add an elegant uplift.

MILOS

A CURATED RANGE OF SEATING

Simple in design yet surprising in how the silhouette plays with angles. Manufactured from Aluminum, A-Grade Teak, & Olefin Rope.

MUSE

INSPIRED BY BUTTERFLY SHAPE

Designed with a unique balance of sustainable & natural materials. While its strong lines on the vertical plane are clear, its the structure design on the horizontal plane that attracts attention.

PALMA

ELEGANT WITH COASTAL RELEVANCE

Solid A-Grade Teak combines with outdoor grade poly resin weave to create an elegant classic.

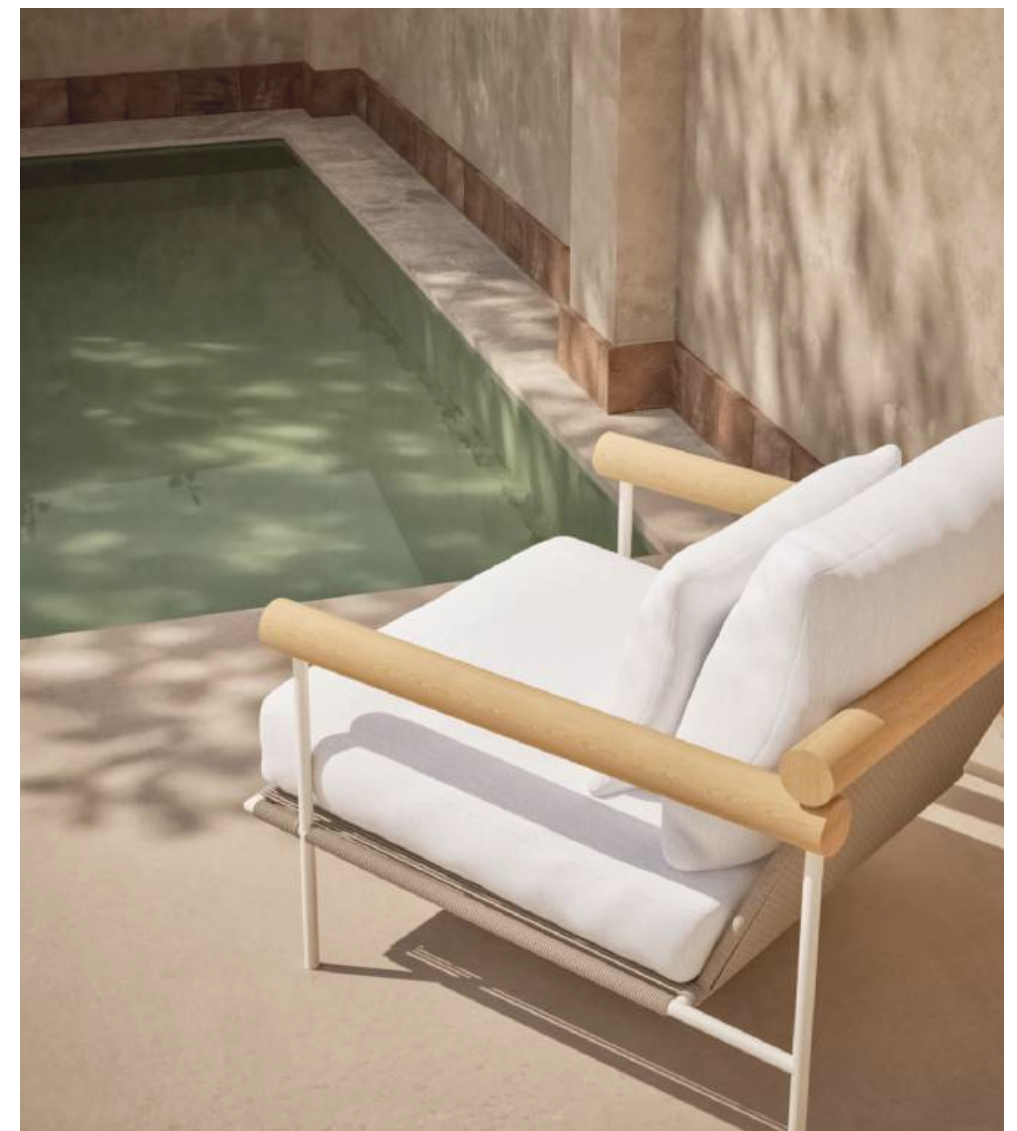

SOMBRA

STRONG SILHOUETTES WITH COMFORT

Plays with materials and angles to produce a feature silhouette with a point of difference. Made with Aluminum and A-Grade Teak frame.

BETON

BOLD & STRIKING PRESENCE

Expertly constructed from premium glass-fiber reinforced concrete, Beton Collection combines industrial strength with refined aesthetics.

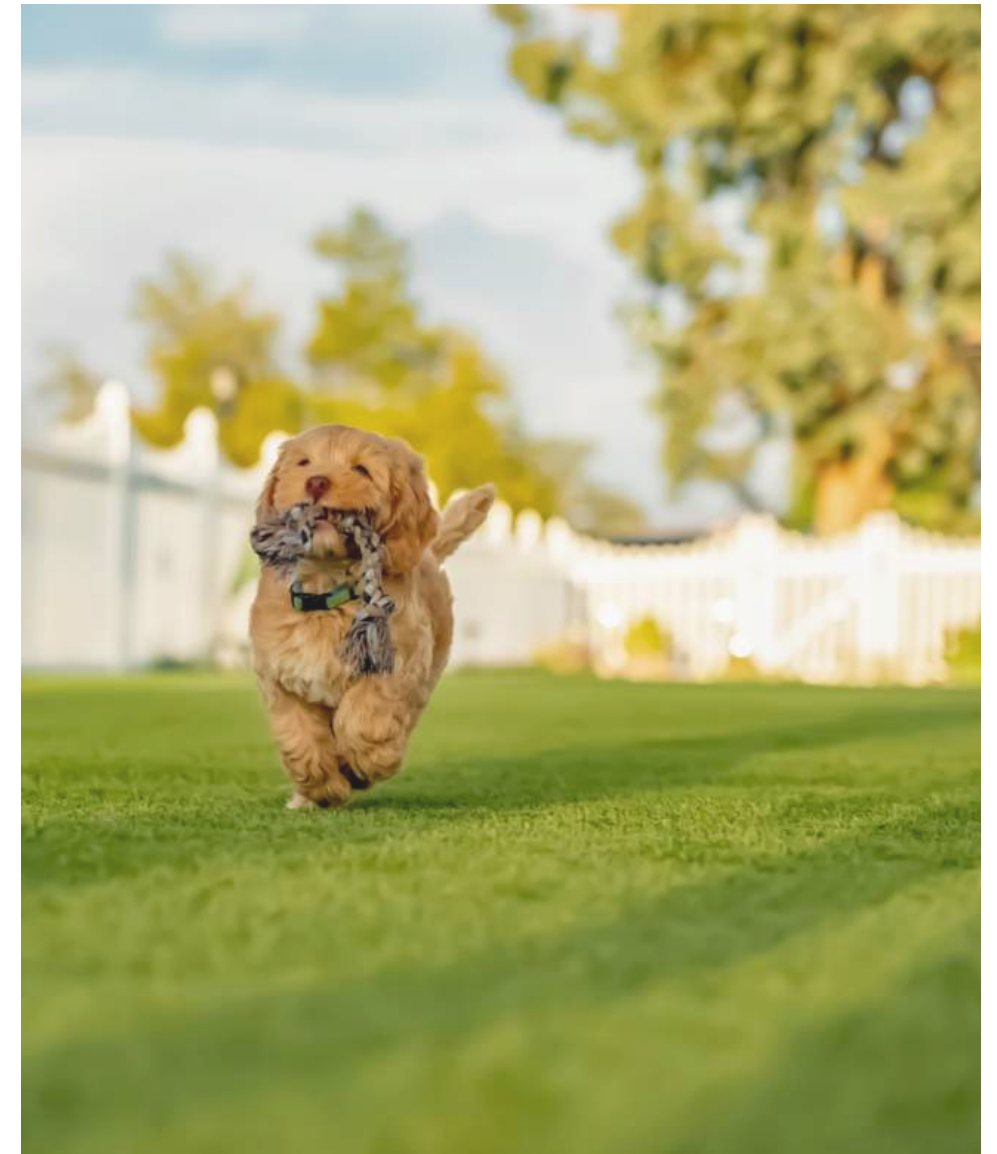

TURF

CURATED RANGE OF ARTIFICIAL & SYNTHETIC TURF

Manufactured from the highest quality components in the world, our grass products are stronger, softer, safer, & more realistic than the rest.

A photograph of an outdoor furniture set in a modern wooden structure. The structure has a wall of horizontal wooden planks and a decorative screen with a geometric pattern. The furniture includes a sofa, a coffee table, and an armchair, all with light blue and white cushions. The scene is set next to a swimming pool.
